WOODRUFF'S

Cash Nursery

On the Pacific Highway
1½ Miles North of City
Limits Eugene, Oregon

A matured block of evergreens in our nursery showing the advantage of irrigation in developing good shapes and color.

**We Meet Competition
Where Quality is Equal**

INFORMATION

READ CAREFULLY

Location— Our main nursery and Floral Gardens is located on the Pacific Highway one and one-half miles north of the city limits where you will find the miniature house, rose garden, rockery and pool.

VISITORS ALWAYS WELCOME

Planting Season— Evergreen trees and plants with balls of earth may be moved as early as October, while varieties of fruit trees, rose bushes and shade trees after November 1st and all as late in the spring as the month of May. Your personal inspection of this stock is invited.

Landscape Planting Service— We are pleased at all times to make a personal call without obligation and help you solve your problems of ornamenting your home grounds. With the thousands of fine trees and plants in many sizes to choose from, you will find our estimates very low in price.

Guarantee— We exercise the greatest of care in delivering first class, true to name stock and hold ourselves in readiness to replace same when proven otherwise. But at no time will we be held liable for an amount greater than the original purchase price.

We are starting the 27th year of nursery operation in Lane County. We enjoy the patronage of our old customers as well as adding hundreds of new buyers each season.

Select heavy.

Bing— Black, good shipper. Firm flesh.
 Black Republican— Proven pollenizer for our strain of Royal Ann.
 Lambert— Large, dark red. Shipper.
 Royal Ann— The leading canner. Pale yellow with red cheek. In a 25 year test under the personal observation of the present owner, the parent tree of our stock has yielded from 8 to 17 boxes of fruit per year with no failures.
 Waterhouse— An effective pollenizer.

SOUR VARIETIES

Kentish— Early, medium size, acid.
 Late Duke— Large, red, late and fine.
 Montmorency Large— Bright red, productive. Best commercial sort.

PEACHES

Varieties listed in approximate order of ripening.
 Mayflower— White juicy flesh. Earliest.
 Admiral Dewey— Red cheek, yellow freestone.
 Rochester— Rich yellow meat, deep red cheek. Popular commercial variety for early market.
 Slappy— Fruit yellow, good bearer, excellent flavor, fine grained.
 Early Crawford— Red cheek, yellow meat. Juicy and sweet.

Thousands of Trees, All Sies, All Varieties

Charlotte— Flesh yellow, melting and juicy.
Foster— Large, yellow meat, red cheek.
Fitzgerald— Heavy annual crops of extra quality yellow meat.
Golden Jubilee— A new peach. Yellow flesh, juicy, freestone. Ripens three weeks ahead of Elberta. 50c.
Improved Elberta— Good canner. Firm flesh, yellow meat, fine quality and above all a dependable annual cropper.
J. H. Hale— Large size, yellow meat, red cheek. One of best shippers.
Muir— Yellow firm flesh. Heavy bearer.
Krummel October— Yellow flesh. One of the latest.

CLINGS

Tuscan— Yellow flesh, red cheek. August.
Orange— Yellow with dark crimson cheek.
Cox Golden— Yellow flesh, firm. September.
Lemon— Flesh is firm rich yellow. Late.

PEARS

Same price as peaches.

Bartlett— Highly flavored, juicy and melting.
Bosc— Large, juicy and delicious.
B d' Anjou— Fine quality. Late.
Winter Nellis— Medium yellowish-green and russet. Winter keeper.

PLUMS

Some price as peaches.

EVERGREEN SHRUBS

The great beauty of the broad leaved evergreens make them most valuable for gardening purposes. Many are among our most spectacular and gorgeous flowering shrubs, while their broad attractive leaves show out most effectively during the parts of the year when many trees and plants are without foliage. There is practically no end to the charming results that can be obtained by the liberal use of this class of plants.

You Will Like Boysenberries

- Abelia**— Pink flowers. 75c - \$1.00 - \$1.25.
Andromeda— White flowers. \$1.00 to \$2.00.

You Never Tire of Evergreens in Winter

CONIFER EVERGREEN TREES

This class of evergreen trees forms one of the most valued assets of the ornamental garden. They are very largely used as lawn specimens or in the border as well as for accent points in the foundation planting. The many interesting shades of color to be found in this family can be enjoyed throughout the entire year.

Arbor Vitae—

Dwarf Golden. 75c - \$1.00 - \$1.50 - \$2.00.

Bonita. \$1.00 - \$1.25 - \$1.50 - \$2.50.

Pyramidal. \$1.25 - \$1.50 - \$3.50.

Rosedale. \$1.50 to \$2.50.

Woodward. \$1.00 to \$1.25.

Cedars—

Himalaya, silvery. \$1.00 to \$6.00.

Mt. Atlas. steel blue. \$1.00 to \$10.00.

Incense, rich green. \$2.50 to \$5.00.

Cryptomeria—

Elegans, bronze red. \$1.00 - \$1.50 - \$2.00.

Cypress—

Blue Lawson. 75c - \$1.00 - \$1.50 - \$2.50.

Green Lawson. 75c - \$1.25 - \$1.50 - \$2.00.

Port Orford. 75c - \$1.50 - \$5.00.

Birdnest. 75c - \$1.50 - \$2.50.

Stewart Golden. \$1.00 to \$2.75.

Variegated. \$2.50 to \$3.50.

Wissel. \$1.00 - \$2.00 to \$4.00.

Arizona, silvery. \$2.50 to \$5.00.

Juniper—

Armstrong, grey green. \$1.00 to \$2.00

Kosteriana, bluish green. \$2.50 up.

Pfitzer, blue-green, \$1.00 to \$5.00.

Meyer, bright blue. \$1.75 to \$2.50.

Sabina Tamaris. \$1.25 - \$1.50 to \$2.50.

Irish, silvery grey \$2.00 to \$2.50.

Virginia, plum tinted, \$1.50 to \$2.50.

Excelsa, Greek. 75c - \$1.00 - 1.50 - \$2.50.

Pine— Mugho, dwarf, \$2.00 to \$5.00.

Retinospora— Japan Cypress, threadlike. \$1.25 to \$3.

Sequoia— California Big Tree. \$1.50 to \$4.00.

Spruce— Colorado Blue. \$1.50 and up.

Spruce— Norway, Green. \$3.00 - \$3.50 - \$5.00 up.

Yew—

Erecta, slender, upright. \$2.00 to \$5.00.

Dovaston, bushy, compact. \$2.50 to \$3.50.

Irish, slender, slow. \$1.50 - \$2.00 - \$3.00 to \$5.00.

Washington, bushy, golden. \$4.00 to \$5.00.

Currants.....	5 ft. x 3 ft.
Gooseberries.....	5 ft. x 3 ft.
Grapes.....	8 x 8 to 10 x 12 ft.
Strawberries.....	3½ x 1½ ft.
Asparagus.....	5 ft. x 1½
Rhubarb.....	5 ft. x 3 ft.
Boysenberries.....	8 ft. x 10 ft.

**NUMBER OF PLANTS PER ACRE AT
VARIOUS DISTANCES**

In planting trees the greater distance should be given in the richer soils

Distance Apart	Square Method	Triangular
1 foot apart each way	43560	50300
4 foot apart each way	2722	3143
6 foot apart each way	1210	1397
10 foot apart each way	435	502
15 foot apart each way	170	196
16 foot apart each way	193	222
20 foot each way	108	125
22 foot each way	90	104
25 foot each way	70	81
30 foot each way	48	55
40 foot each way	27	31
50 foot each way	18	21

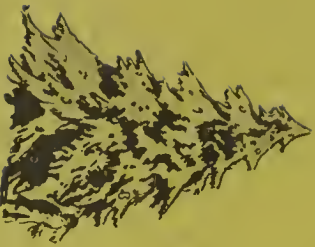

Yes! We Grow Our Own Stock

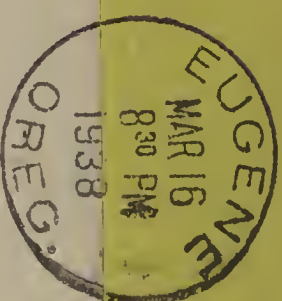

One of the very fine young peach orchards owned by Chester Chase on the McKenzie. Our trees after five years growth.
